Coch did exactly as described. His methods are very top tier and well thought out and above and beyond any other kind of training I have had in the past.

About This Gig

Vids:  
<https://www.youtube.com/c/TITan0s>

Montage of my students after aim training:  
[https://youtu.be/42XnBO\\_cN2Y](https://youtu.be/42XnBO_cN2Y)

RESESSIONS ARE FREE

I will sit down and coach you interactively how to aim better with efficient practice techniques

Basic: Aim Training. No necessary time limit, I will take as long as I can to help you out!

Standard: Basic + Testing your natural precision ability, then giving a sensitivity according to that; helping you give natural aim ability I measure your hand and how your body naturally accumulated to your past mice I suggest a mouse that will bring out the best of your ability.

Premium: Literally same thing as standard, but this is optional =) I'm most likely just going to thank you for helping me pay my bills

DISCLAIMER: Sessions can be grouped to 4 people at a time. If you wish to solo, please request so upon purchase

Group Sessions are the same as 1 on 1 sessions in quality

Mon, Wed: 5:30pm EST  
Tues, Thurs: 1:30pm EST  
Fri-Sun: OFF

---Achievements---

CS:GO:  
Global Elite, ESEA IM, Main and Advanced; competed against A+'s and G's.  
Won 2 Online CS:GO tournaments.  
Won undefeated in 2v2 Collegiate Tourney  
Placed 6th Nationally in the Collegiate CS:GO League [Faceit]
